We have a lot of cinemas, theatres, museums, exhibitions and sport grounds in Lugansk. So I have no difficulty to find where to spend my holidays. I am fond of sports and can go in for different kinds of sports at the stadiums, Palaces of sports and sport grounds. I go in for table tennis. Twice a week I go to the sport ground and play tennis. I have holidays in summer and in winter.</p> <p>In summer I like to spend my holidays at the seaside. I go there by train or by plane. In winter I usually go in for skating and skiing. I like music and theatre. So I often visit museums, art galleries, concerts and exhibitions during my holidays. As a rule I go there with my friends.</p>	<p>Where can you spend your holidays? Where do you go during your holidays? Do you prefer opera or concert? What is your favourite occupation at home? (reading, visiting museums, art galleries) Do you like to travel during your holidays? What do you do in summer? In winter? When do you have your holidays?</p>
